Tell us a little bit about yourself. Please include any community involvement or personal philosophy.	I've been a licensed Realtor in OKC for 14 years, and my husband and I love living in southwest OKC. We've got a big crew-five kids and three grandkids-so life is full in the best way. I currently serve as the Managing Broker at Flotilla, where I get to lead and support agents as they grow their businesses, while also continuing to sell real estate myself. Outside of real estate, I've been involved in our church in different ways over the years, leading groups through programs like Financial Peace and Divorce Care. I really enjoy helping people find a little hope and clarity during what can be really hard and stressful times. That heart for people carries into how I lead and do business-I'm all about showing up, listening well, and doing things with integrity.
What motivated your desire to serve on the MLSOK board?	Serving this past year on the MLSOK board really opened my eyes to everything happening behind the scenes and how important it all is to our real estate community. I've learned a lot, and it's given me a deeper appreciation for the role MLSOK plays in supporting agents and protecting the integrity of our data. That experience is what motivated me to apply again. I'd love to continue being part of those conversations, keep learning, and contribute in a meaningful way.
