Tell us a little bit about yourself. Please include any community involvement or personal philosophy.	I am a servant leader that believes in giving back to the community that has cared so well for me and my family. I am actively involved with several real estate committees and also with Habitat for Humanity and Oklahoma Humane Society.
What motivated your desire to serve on the MLSOK board?	I am so grateful that I was able to serve previously in the capacity as a MLSOK Board Member. I believe in its (MLS') mission and constantly trying to improve its service to our members. I would love to be able to serve another term supporting the organization.
