Please list any service (committees, boards, etc) to MLSOK, your local association, OAR, NAR, or others within the industry.	Government Affairs Committee(served 2 years) Currently serving on the Gov't Affairs Trustee Committee., Contract & Forms Committee(served one term)
Tell us a little bit about yourself. Please include any community involvement or personal philosophy.	I founded Brainxcite (a non-profit serving the Traumatic Brain Injury community in 2016) Still in operation and I am the president. I am the Chaplain of the Republican Women of Central Oklahoma, member of First Baptist Church of Oklahoma City, have been in RE for 26 years, currently working on my Broker's license to open my own brokerage, I caregive my sister who is in poor health and my adult son who has a traumatic brain injury. I teach a provisional licensing class at Francis Tuttle and mentor new agents at the brokerage I currently am at. I support professionalism in my industry and stress the same in my classes. I believe every agent should show that level of professionalism by being a member of NAR, OAR & OKCMAR. I also believe every agent should use the tools our profession offers us, for instance, Sentri-key(to protect the public) I stress to my agents I mentor daily to not participate in the unprofessional banter and bashing of colleagues on certain SM pages.
What motivated your desire to serve on the MLSOK board?	I want to be a part of the support team our association needs.
