

### Standing Committees

There are five standing committees specified in the MLSOK Bylaws. The President of the Corporation shall appoint members to these committees for their term of office, except as otherwise provided herein. All appointments are subject to confirmation by the Board.

### Ad Hoc or Special Committees

The Board may establish special committees by a majority vote of the directors currently in office. These committees serve at the discretion of the Board and have only the powers and duties lawfully delegated to them by the Board.
